BANOTHU KRISHNAVENI

+91 95153 53020 | banothuveni519@gmail.com | Hyderabad, India

PROFESSIONAL SUMMARY

Computer Science graduate with hands-on knowledge of Python, web development, SQL, AI and machine learning. Experienced in developing academic projects and training B.Tech students in HTML, CSS and JavaScript. Seeking an entry-level Software Engineer opportunity to apply technical and problem-solving skills in a professional environment.

EDUCATION

CMR Engineering College, Hyderabad — Nov 2022 – May 2026
B.Tech — Computer Science and Engineering — **CGPA: 8.1/10**

Kavitha Junior College, Kodad — Apr 2019 – Mar 2021
Class XII — CBSE — **79%**

Sri Vishnu Vidhyanikethan High School — Apr 2018 – Mar 2019
Class X — Secondary School Leaving Certificate — **9.3/10**

EXPERIENCE

Web Development Trainer | B.Tech Student Training

- Trained B.Tech students in HTML, CSS, JavaScript and foundational web development.
- Conducted hands-on coding sessions and provided mini-project guidance.
- Mentored students in responsive web design, debugging and practical implementation.
- Supported students in building real-time web applications.

TECHNICAL SKILLS

Programming	Python
Web Development	HTML, CSS, JavaScript
Database	SQL, MySQL, Relational Databases
AI / ML Tools	TensorFlow, OpenCV

PROJECTS

Weed Detection Using AI and Deep Learning | Oct 2024 – Dec 2024

- Developed an intelligent system to detect and classify weeds in agricultural fields using deep learning.
- Implemented Convolutional Neural Networks (CNNs) for image-based analysis and feature extraction.
- Used Python, TensorFlow and OpenCV for data preprocessing, model training and image analysis.
- Designed the system to distinguish crops from weeds, supporting targeted herbicide application and reducing manual identification effort.

Auto Text Web Communication | Feb 2025 – Jun 2025

- Developed an automated system for real-time text communication over the web.
- Integrated Python and VBA scripting for data transmission and automation.
- Implemented message handling, parsing and error detection for reliable communication.
- Improved efficiency and accuracy in web-based text data exchange.

ADDITIONAL INFORMATION

Languages: English, Hindi | **Course:** Web Development | **Interests:** Web Development, Problem Solving | **Hobbies:** Playing Shuttle, Reading Books, Coding
